AMERICA CALLING

In what can only be described as a series of God 'miracles' Revelation TV has been broadcasting into 2 million homes in the USA from the 1st June 2011, and to date it has cost us no money!

A long time ago we declared that the vision the Lord had given for Revelation TV was for it to be primarily a Christian TV station reaching out from the UK into Europe. We said if other countries began to receive the signal it would be because God made it happen and not because of our pushing. Well God has done it.

Some time ago a company called Payout247, who already stream Revelation TV's signal, told us about an application they were working on, which would enable us to be seen in the USA. 'Were we interested in following it up?' 'Yes', we said, 'but what will the cost be?' At the same time, a business man in Northern Ireland approached us and asked if there was something that his firm could pay for, for us. We put the two together. He paid the development cost. Payout 247 developed the system, and on the 1st June, the fastest selling set top box in America – the Roku box – began beaming Revelation TV into 2 million American homes.

If you have relatives and friends in America, ask them if they have a Roku box. If not, they can buy one from Walmart, Radio Shack, or Amazon USA. They cost less than 65 dollars and there are no on-going monthly costs.

America has lots of Christian TV stations, so why should it bother about another one? We believe that our style of communication, as well as the message we deliver, is very different to other Christian TV stations and will appeal to many new viewers. Besides Americans enjoy listening to the English speaking properly, don't they!

Pray for Godly wisdom as we ponder how to develop this opportunity that God has given to us.

FAREWELL

Yemi and Sylvia have been faithful servants of Revelation TV since the TV station began. Pray for them as they have left us to start their own Christian TV station aimed at reaching the African community.

EBAY

Did you know that if you sell something on eBay you can choose between 10% - 100% of the profit to go to charity? And one of the charities you can choose is the Revelation Foundation. Whether you already sell items on eBay, or would like to do so in the future, it couldn't be simpler to support us through "eBay for Charity".

Further information is on the Revelation TV website, or phone the office and ask to speak to

SPANISH HEAD OFFICE AND STUDIO

With a generous interest free loan from two viewers, the creation of the studio in Spain has been able to proceed much quicker than would otherwise have been possible. The Spanish workers have truly been amazing, and worked especially hard to make it happen for us. The move into the studios in the middle of June meant that we had no live programmes coming from Spain for a period of 10 days, but everything is back to working fine now, and The Q and A Show, the Late Show, and Voice in the Wilderness are all back up and running from Spain. The official opening and dedication of the Spanish studio is on Saturday 24th September. We have negotiated special hotel rates for that weekend in a hotel close to the studios and the beach. Would you like to join us? If so, then ring or write to the office for more details.

HELEN SHAPIRO

Did you watch the Helen Shapiro interview with a live audience in our New Malden studios? If not, the programme will be repeated on:

Friday 1st July 13:30, Saturday 2nd July 16:00, Tuesday 5th July 15:30.

JACKIE PULLINGER

Jackie Pullinger is rarely in the UK and she says she hates being interviewed for TV! But when she visited the UK recently she agreed to talk with

Gordon about her life and work in Hong Kong. Watch out for the interview to be shown on Monday 18th at 15:30 and Saturday 23rd at 16:00.

FIONA CASTLE

Fiona Castle visited our New Malden studios last month and talked about the joys of living with her late husband, Roy (Recordbreaker) Castle, and the importance of their faith to both of them.

You can see that interview on Monday 4th at 15:30 and Friday 8th at 9:30.

If you know of someone who has a story to share, whether 'famous' or not, we would love to hear about them. Write to doug@revelationtv.com

NOT IF... BUT WHEN

Gordon's new book, 'Not If ... But When' – a study in fasting and prayer, is now available from the Revelation TV offices.

Fasting is such a key factor in so many Bible stories, yet is a discipline largely ignored by the Christian Church. Gordon says 'my prayer is that the book will raise up individuals who will fast and pray until revival comes to our nation'.

The price is £5.00 including package and postage. If you wish to purchase copies of the book for giving away, they are available at £2.00 each for quantities of 5 or more.
