STREET RIOTS

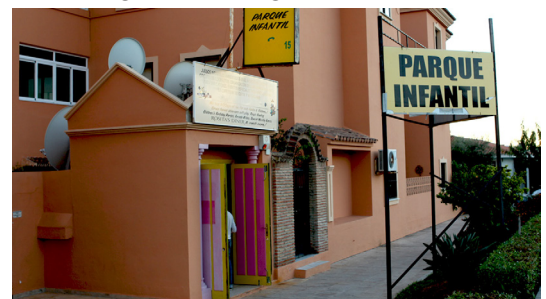

Television schedules are planned weeks, and sometimes months, in advance of their broadcast dates. At the same time, we are always mindful of the need to be able to change programmes instantly if situations arise that merit it.

So it was with the sudden rioting that took place in August. It started in the London Borough of Tottenham and rapidly spread to other parts of London, and was then copied in other towns and cities.

Thankfully the number of live programmes in the Revelation TV schedule allows us to give an immediate response to such situations. In August we also felt it right to cancel the four hour 'Building The Foundation' programme and use the time to give a Christian perspective on why the riots had happened and how we should mobilise prayer. Guests during that evening included Dr Jonathan Oloyede of the Global Day of Prayer, Rev George Hargreaves, the leader of the Christian Party, and a resident of Hackney one of the Borough's badly affected. Two Street Pastors shared their experiences and then returned straightaway onto the trouble strewn streets of London.

DEDICATION OF SPANISH STUDIOS

When the Lord directs it is important to obey. Several years ago, the prompting of the Holy Spirit caused Revelation TV to apply for and be granted a license to operate out of Spain. After much searching and praying Revelation TV found

premises to operate out of in Spain. They are based along the coast on the Costa del Sol. Work has been going on to convert them into TV studios. Even though we have been using part of them for several months, there is still much to do to make the premises fully useable. But in faith, we are planning the dedication of the new Spanish studios to the Lord on Saturday September 24th. Some of you have told us that you are planning to join us for the event. We are very much looking forward to meeting you. However if you cannot come to Spain, hopefully Spain will be able to come to you! We plan to show the Dedication Service on Revelation TV. Please pray that the new premises will be used by the Lord for His glory.

MIDDLE EAST DIVISION

One of the major issues needing a world response in September concerns the Middle East. The annual Session of the United Nations General Assembly opens on the 20th September. The Palestinian Authority President, Mahmoud Abbas, has stated that he is going to ask the UN Secretary General, Ban Ki-moon for the UN Security Council to approve Palestine becoming a UN Member State with its own lands and capital in East Jerusalem.

Should Christians be concerned at such happenings? Does the Bible have anything to say about such an event? Intercessors need to pray, but what are the keys to 'effective fervent prayer'?

At Revelation TV we believe that the issue of the Palestinians being given their own Statehood with their own lands and capital in a part of Jerusalem, is dangerous and should not happen. We believe the Church needs to stand up and speak out.

A two hour debate is to be held on Tuesday 6th September, from 20.00 to 22.00

UK time. A studio audience will be present to ask some of the questions. Viewers will be encouraged to email and text in with their comments. Experts from the Middle East will be present to explain the issues and the Christian response. Mark the date in your diary. Plan to cover the event in prayer.

PROGRAMMES TO WATCH OUT FOR

With so many good programmes planned for September, it is hard to pick out a few to mention. Watch out for 'The Most Famous Book' with Jonathan Aitken, Mandy Smith and Linvoy Primus, as they talk about their experiences with the Bible. 'Stand up for Jesus' is a new series presented by Alan Craig, the leader of the Christian People's Alliance, which as the title suggests is encouraging Christians to stand up for Jesus on the issues affecting their everyday lives. Charlie Landsborough will be singing his most famous song 'My Forever friend' when he sings and shares his story in 'An audience with Charlie Landsborough'.

As this Newsletter is arriving in viewers' homes, we are coming to the end of three days of prayer and fasting. We know that many of you dear viewers have been joining

us for those three days. We have been praying for four things:

- + Our nation following the explosion of violence that erupted with the city riots. We have especially been praying for God-given wisdom for our leaders and judiciary.
- + The UN General Assembly meeting in September where the Palestinians are expected to push for approval as a separate state.
- + Direction for Revelation TV, with the dedication of the Spanish studios in September.
- + Individual needs of viewers.

Emails / Letters FROM VIEWERS

Since I have switched, I have found lots more christian programming than if I stayed with cable. I have to say that Revelation TV brings joy to my heart. You guys are such a blessing and a breath of fresh air. I live in the United States in Boston Massachusetts and I am so very excited to have found your station.

-Rox Hen

I love how everyone is so 'down-to-earth' and loves Jesus. And I love the programming and the music. I have learned so much from the Middle East Report and the Bible Study and the evolution and creation programs and others. I take notes, and it is like going to school.

-Darlene Loveless

I think your programs are very encouraging and helpful. May God continue to bless you all.
